Upcoming Parish Happenings:

- Thankyou to everyone who supported the **plant fair last Saturday**. We made about \$1300.

Master It Mondays! is on **Monday at 3:00pm**. This is an **All-Age homework group on Mondays** after school with a vision to provide a safe space where students can be themselves, feel comfortable and feel supported in their learning and life skills education. Initially it will have a focus on students at secondary level to help those struggling with NCEA requirements and skills for literacy and numeracy that are a prerequisite requirement to achieve NCEA. Younger children will be able to attend, especially if they are siblings that need to be cared for by their older brother or sister. There will be a focus on fun learning, with the student at the centre of our thinking. If you would like to help in anyway with this outreach please contact Raewyn (021 600 5306). You do not need to be a teacher! There are many other useful roles.

Ark After School Programme - Is back after the holidays. Fun and learning around Bible stories, Games, snacks crafts and reading help. There are still places for children for Tuesdays after school this term. 3—5:30pm Entry \$2 Children will need to have parental permission and fill out an enrolment form.
